

REMARKS

Reconsideration and allowance of this application are respectfully requested in light of the above amendments and the following remarks.

The Applicant acknowledges with appreciation the indication in the Quayle Action that claims 9-13 are allowed and claims 14, 16-19, and 21-25 are allowable. Independent claims 14 and 19 have been amended to overcome the objections thereto; therefore, allowance of claims 14 and 19 and all claims dependent therefrom is deemed to be warranted.

In view of the above, it is submitted that this application is in condition for allowance and a notice to that effect is respectfully solicited.

Respectfully submitted,

James E. Ledbetter
